Inspection Agreement

This is a legally binding contract and contains wording limiting our liability.

Please read carefully.

This agreement is a contract between the **Customer** listed on the back of this form and **Precise Home Inspections LLC**, to have the [Name of Company] *inspector* inspect the home or building listed on the back of this form and *report* on those *readily accessible systems* and *components* which, in the opinion of the *inspector*, are *significantly deficient* or near the end of their service lives, for payment of the fee(s) listed on the back of this form. It is agreed and understood that this inspection is limited to visual observations of *readily accessible systems* and *components* and their conditions at the time and date of the inspection and is not intended to be *technically exhaustive* or to identify every possible detrimental condition.

It is also understood that the **Precise Home Inspections LLC** *inspector* is a generalist, knowledgeable in a variety of areas, but does not hold himself or herself out to be an expert in any field. If the **Precise Home Inspections LLC** *inspector* recommends *further evaluation*, the customers must do so at their own expense.

The *report* is not a home warranty, guarantee, or insurance policy. It is also not a substitute for real estate transfer disclosures, which may be required by law.

The customer understands that **Precise Home Inspections LLC** is not going to dismantle any system, or move furniture, personal property, debris, carpeting or equipment that may impede access or limit visibility.
